

A SPECIAL MESSAGE ABOUT COVID-19

Esteemed Guests:

Here at the Thorp House Inn & Cottages, we have come to regard many of our guests as friends and family rather than just visitors. In recent news there has been an overwhelming response to details of the coronavirus or COVID-19.

Door County has declared a public health emergency as of March 16th, 2020.

The county is asking lodging entities to reduce the risk to our neighbors by not accepting new reservations and canceling those that exist through April 19th to encourage people to temporarily not travel to the area.

At this time, Door County remains a low risk area with no reported cases, however, we must do our part to keep our guests and our community safe.

Our staff has always taken meticulous care in keeping our property clean, and we will continue to adapt to go above and beyond for your health, safety, and comfort in accordance with the CDC guidelines. We continue to monitor the situation closely, and look forward to seeing you at Thorp House Inn and Cottages as soon as is reasonable.

We wish you good health in the days ahead and will keep you abreast of any developments with our policies.

Stay Safe,
Thorp House Inn Staff
